Southside Partnership – Care & Repair

Are you 60+ years of age? Do you have a small repair job that you'd like done for you?

The Care and Repair programme (run by Age Action Ireland) uses a pool of trustworthy volunteers and handypersons to carry out minor repairs for older people.

All volunteers are vetted and carry official Care and Repair identification cards.

The service is free, you only have to pay for materials used. For bigger jobs, we maintain a register of reliable and honest tradespersons.

You can arrange to have a job done for you by phoning the Age Action Care and Repair number which is 01 475 6989

Paving the way in St Brigid's

**Create living history by
donating a brick.**

The 1st St Brigid's Cross in the St Brigid's Way in the outside patio area is now completed. It is located in front of the steps leading to the garden. It is very successful, be sure to have a look at it on your way out.

If there is any interest in including a name in the 2nd Cross details and booking forms are available at the back of the church. This Cross is expected to be unveiled on 1st February 2013 (St Brigid's Day).

Completed forms can be put in the safe at the back of the Church or posted in the 'old' front door of the Parish Centre.
