RETURN TO SENDER

To understand the parable about the wedding invitations we have to look back to Jesus' time and then forward to our own day.

The parable, about guests who turned down the invitation and about people off the street being welcomed in their place, was an explosive and revolutionary piece of preaching. It angered the chief priests and elders because it was clearly intended to point out that if the Jews refused to believe in Jesus, then their invitation to the kingdom of heaven would be sent elsewhere.

When we come to our own day we can rush in and think that we know what it's all about. Surely we are the people called in off the street who are given that chance of salvation which some of the Jews rejected? Maybe. But don't we run the same risk of being invited and failing to turn up for the wedding ourselves? We could be the original guests! None of the invited guests refused the invitation because they couldn't be bothered. They each had a plausible excuse: the farm needed tending, a pressing business appointment clashed with the date, etc.

Our greatest danger is not that we will send the invitation back marked "Return to Sender", but that we will never quite get round to answering it. And as the card stands on our spiritual mantelpiece we will glance at it from time to time and keep telling ourselves that we really must do something about it. Perhaps doing something about it might be going to see that person we know is sick and would love a visit, or curbing our sharp tongue, or stopping being slack at work, or taking the family out for once, or saying those prayers we know we need to, or... Whatever it is, we are unlikely to give God a flat refusal. We are more likely to "mean" to get round to it.

And what about that poor guest who was invited and then thrown out for not having the right wedding clothes? The only garment we are required to put on for the wedding is conversion. To turn up to the feast with no intention of changing our ways will simply get us ejected. Conversion, yes, I "meant" to get round to that too.
