

## St Brigid's Parish Cabinteely

### July 12th 2020 - 15th Sunday in Ordinary Time

Using the best seeds doesn't always guarantee the best plants. An older Italian gentleman straight from Italy gave me these amazing tomato seeds that he claimed produced the best tomatoes ever grown. Without doubt, the fruit he shared with me was a testament to that fact. These tomatoes were amazing! I couldn't wait until the next growing season to plant these seeds and harvest my own tomatoes. The whole experiment ended up a failure. I did everything the gentleman said, but my fruit didn't even come close. What happened? At first I was perplexed, then some years later the light dawned. The problem wasn't the seeds, it was the soil!

You cannot sow seeds in any old place and in a haphazard way and expect them to be at their best. It doesn't work that way. Planting the seeds is the easiest part. Preparing the soil is the challenge. Tilling, mulching, enriching, and building up the nutrients are all required for good fruit. Then after the seeds are planted, more care is required in order to maintain that healthy, nutrient rich environment for those seeds to sprout, grow, and flourish. God happily sows the seeds of his Word. What do we do with them?

If we expect to be a passive bystander and have good fruit magically grow, we are mistaken. Bearing the good fruit of God's Word requires preparation and work. We have to cultivate the soil of our lives so that those seeds can find a proper home. This one thing alone takes a great deal of patience, time, and effort. What kind of preparation have we put into our lives so that we can be a recipient of God's seed? It takes a great deal of soul-searching and ego-checking to properly prepare. God is the ever faithful and persistent sower. If the seeds do not bear fruit the first time, God will come back time and time again, giving it another try.

If we have created a suitable bed for sowing, then once the seed is sown, we must properly maintain them. What is our maintenance plan for the seeds of God's Word? We need not only a source for water but a watering schedule. We need to weed, aerate the soil, nurture the young plants, protect them, and provide proper nutrients. What does our spiritual maintenance plan look like? If we have done all things well, imagine what the seeds of God's Word could produce in us!

## Phased Re-Opening of St. Brigid's Church

### Let's Begin Together

We reopened with the first Public Mass on Monday 6th July. We had a full complement with 50 people present. Throughout the rest of the week we had an average daily attendance of 28. On Sunday we can only accommodate 70 and with families in the one bench can take up to 100 (50 below and 50 above). There will be just one Sunday mass at **10 AM** for now. We are asking people, where possible, to attend at the weekday Mass rather than on Sunday.

We continue to appeal for volunteers for the role of stewards required for midweek and Sunday mass. Thank You to those who have already responded. If you would like to put your name forward just email the Parish Office [info@cabinteelyparish.ie](mailto:info@cabinteelyparish.ie) or phone 01-2858835.

We are on this journey together so let's begin together slowly and carefully.

### St Brigid's Church has this week been treated with **Re-Active Barrier Technology.**

The Church was misted with a chemical solution that kills all germs on contact. Additionally, when the solution dries a barrier is created. If subsequent germs are re-introduced to the surface the solution reactivates and eradicate those germs and viruses immediately, thus providing protection between cleans.

### New Pilgrim Path Website of the Week.

According to the American mystic, Thomas Merton, the more we try to analyse life, the more we involve ourselves in sadness. "But it does not matter much because no despair of ours can alter the reality of things, or stain the joy of the cosmic dance which is always there. Indeed, we are in the midst of it, and it is in the midst of us, for it beats in our very blood, whether we want it to or not". James Finley spent six years at the monastery of Gethsemane, where Thomas Merton was director of novices. He has given a series of insightful online talks and retreats on Merton's spiritual writings.
