## **Easter Sunday- April 20th 2025**

### ***Dear brothers and sisters, Happy Easter!***

Today throughout the world there resounds the message proclaimed two thousand years ago from Jerusalem:

“Jesus of Nazareth, who was crucified, has been raised!” (Mk 16:6).

The Church relives the amazement of the women who went to the tomb at dawn on the first day of the week. The tomb of Jesus had been sealed with a great stone. Today too, great stones, heavy stones, block the hopes of humanity: the stone of war, the stone of humanitarian crises, the stone of human rights violations, the stone of human trafficking and other stones as well. Like the women disciples of Jesus, we ask one another: “Who will roll away the stone for us from the entrance to the tomb?” (cf. Mk 16:3).

This is the amazing discovery of that Easter morning: the stone, the immense stone, was rolled away. The astonishment of the women is our astonishment as well: the tomb of Jesus is open and it is empty! From this, everything begins anew! A new path leads through that empty tomb: the path that none of us, but God alone, could open: the path of life in the midst of death, the path of peace in the midst of war, the path of reconciliation in the midst of hatred, the path of fraternity in the midst of hostility. Brothers and sisters, Jesus Christ is risen. May the light of the resurrection illumine our minds and convert our hearts, and make us aware of the value of every human life, which must be welcomed, protected and loved.

A happy Easter to all!
