

St Brigid's Parish Cabinteely

Fifth Sunday of Easter - May 18th 2025

***The glory of God in St John's gospel
is another word for his love.***

We have types of love, and for most of us we find it in our lasting friendships, our spouses, our partners, our family – those without whom life would be so much the poorer.

Read love transforms. Opens the heart more and more. We get out of ourselves in real love – caring, forgiving, getting over things. In all sincere and outgoing love between any two people, **G**od is present. **L**ove brings **G**od alive in us. Not the love that is in name only and uses each other. But love that sees the other as more important than myself.

We say, *'love made him'.*

Parents say – *'I hope they find friends who will bring the best out of each other'.*

Mauriac writes- ***"To love someone is to see a miracle invisible to others."***

The example of Jesus can help us at times when it can be hard to see goodness even in those we love.

Read love heals. Only love makes the best out of the worst. In concentration camps the survivors were often those who had love to remember or go back to. Even when things go very badly in life, the forgiveness of love can help us move forward.

Lord, help me to be truly grateful for love in my life.
